

**INSURANCE INSTITUTE FOR
ASIA AND THE PACIFIC, INC.**

The Non-Life Associateship
Program

Explore New Horizons....

About the Non-Life Associateship

- ▶ The Non-Life Associateship Program is open to any one who has been conferred a degree in college or university and is intending to pursue a career in non-life insurance.

Application for Registration

- ▶ A person intending to qualify and be elected as **Associate of the Insurance Institute for Asia and the Pacific, Inc.** must be first registered as a student. He should apply for registration with the Institute. His application for registration must be sent to the Institute together with the particulars and evidence of the educational qualification or experience in insurance required for the course.

Requirements

- ▶ Must be at least 18 years of age
- ▶ A graduate of a reputable college or university in the Philippines (*or its equivalent for foreign students*)
- ▶ A person who does not meet the above requirement may be admitted provided that they have one of the following:
 - ▶ High school graduate and has credits in subject required in 2 years of college studies (*or its equivalent for foreign students*) and has been employed in the Insurance industry for 10 or more years.
 - ▶ High school graduate and has credits in subject required in 2 years of college studies (*or its equivalent for foreign students*) and has passed the lecture course on IIAP Basic Non-Life Insurance.
 - ▶ High school graduate (*or its equivalent for foreign students*) and who has undergone training in insurance with sufficient credits (to be determined by IIAP) and is holding a supervisory position in an insurance company.

Credentials

- ▶ For the IIAP Associateship, the Transcript of Record shall be accepted from foreign applicants as evidence of a degree completed, or credit for two years of college studies. The diploma may be accepted as evidence of graduation from high school.

Course Requirement

- ▶ To complete the qualification leading to Associateship, a candidate is:
 - ▶ Urged to attend the oral instruction in all twelve (12) major courses with 4 pre-requisite courses
 - ▶ Pass the Required Exam/s in each of the course.
